ELLIE DRAMA & DANCE SPECIALIST

I have always had a strong passion for everything to do with performing arts! Both dance and performing mean so much to me and being a part of this community has added so much to my life. I have nurtured my love for Dance through my degree and countless hours in the studio while constantly pursuing my career in acting. Some of my career highlights to date have been starring as Alice in "Alice in Wonderland" with Northeast Producers and being a featured performer in Josie Proto's music video for Island Records!

I'm passionate about sharing my experience with students, helping them find their own unique voice and navigate the exciting world of performance.

IMMIE DANCE SPECIALIST

I've been dancing my whole life in a range of different styles of dance such as, ballet, tap, modern, lyrical, acro and musical theatre. I have taken part in exams, auditions and many shows in London Theatres and I have trained at one of the top performing arts schools in Berkshire. I currently teach in a local dance school in Woodley and being able to work for this school is a dream come true!! As a school we made it to the Dance World Cup 2024 finals last year in Prague where we became **Team England World Champions!**

Dance isn't just a hobby, it's my passion and I'm very grateful for the opportunities and experiences that dance has given me.
